

# Babcock Ranch Water Utilities

As Operated By Town & Country Utilities  
and Babcock Ranch Irrigation

## Precautionary Boil Water Notice

**Due to system maintenance activities, a precautionary boil water notice is issued to the community.**

### **What To Do:**

If your area has been placed under a Boil Water Notice, boil the tap water at a rolling boil for one minute or use bottled water while the Boil Water Notice remains in effect for:

- Drinking
- Cooking
- Making Ice
- Brushing Teeth
- Washing Dishes

### **Boil Water Notice Hotline: (239) 450-3007**

To ensure safe drinking water, Town & Country Utilities places the affected area under a boil water notice until bacteriological testing shows that the drinking water is safe. These tests usually take 48 to 72 hours. You may call the Boil Water Notice Hotline at (239) 450-3007 for more information after 4:30 p.m. each day thereafter, as needed, to get the current status of any Boil Water Notice.

### **For More Information:**

If you have any questions, you may call 239-450-3007
