**Telephone: (888) 661-0082**

Form 10 - Rev 1.9.2018

The policies provide for utility plant potable water allocation of 125 gallons per day per Equivalent Residential Connection (“ERC”), and a wastewater allocation of 113 gallons per day per “ERC”.

“Utility” will not be obligated to provide capacity in excess of the “ERC” secured by the applicant. Further, the “Utility” may require Customers to curtail use which exceeds such allocated capacities. Where payment of connection fees has been received by the “Utility”, prior to the availability of Utility Service; “Utility” Agrees to make service Available upon Completion of Construction and Certification, that the Utility System is ready to serve the Property. Billing of the monthly base Facility Charge(s) will begin Thirty (30) days after Certification of Service Availability.

**By Signing below, the Customer makes the Acknowledgments below.**

**Charges are as follows:**

<b>Account Transfer Fee .....</b>	<b>\$25.00</b>
<b>Deposit for Water .....</b>	<b>\$72.00</b>
<b>Deposit for Wastewater .....</b>	<b>\$93.00</b>
<b>Deposit of Irrigation Quality Water .....</b>	<b>\$72.00</b>

**ACKNOWLEDGEMENTS:**

Having read the adopted policies of the “District” and by accepting Utility Service and the Customer Agrees to Comply with said policies at all times. All Capitalized terms used in any “Utility” form document unless defined therein, will have the definition provided in the adopted policies. The policies, including the Tariff, of the “District” may change from to time; (the word “Tariff” will need to be substituted for whatever term/phrase we eventually give it upon implementation of the changes).

All Customers are required to take back from the “Utility”, when available from the “Utility”, irrigation quality water. The Customer is familiar with the policies prohibiting cross connections, discharges and the requirements for backflow prevention. By accepting Utility Service, the Customer Agrees to allow access to the Property by “Utility” personnel (which includes associates of MSKP Town and Country Utility, LLC and Babcock Ranch Irrigation, LLC); to perform services of the “Utility” in rendering the Utility Service, and Acknowledges that the “Utility” will have easements over the Property in accordance with the adopted policies.
