

Babcock Ranch Water Utilities

As Operated By Town & Country Utilities
and Babcock Ranch Irrigation

Wastewater Usage Credit Application

This form is used to document water used that did not flow into the wastewater system, such as filling pools. The Customer is to notify the "District" Five (5) working days before this activity, so that the water meter reading can be collected before and after the event. A credit will be given for wastewater charges corresponding to the volume of water used, but not introduced into the wastewater collection system. The base fees will remain unaffected.

Office Use:

Date Read	Meter Reading (all 7 digits including zeros)	Leak Indicator Spinning? Yes or No?

Purpose of Use:

Date Event to Begin: _____

Date Event to Cease: _____

Account No: _____
